## Wasaib.com Gmail Email Addresses

Posted by admin - 2007/01/11 05:01

Hi all,

We have partnered with Gmail.com to provide email addresses for Wasaib.com users. These email accounts will be on the format of yourname@wasaib.com e.g. farhan@wasaib.com, but your mailbox will be provided by Gmail. So its like a standard 2Gb Gmail account but the email address will be on Wasaib.com instead of Gmail.

For the beta testing purpose, we have been allowed 100 email accounts only.

These are available on First come First serve.

If you would like a Wasaib.com gmail account, please respond to this post with the following information and we will create your account:

- 1) Your desired name like xyz@wasaib.com
- 2) Your current email address for the account detail to be sent.

Again, its first come first serve and as long as 100 accounts last.

Thanks,

Admin
