zahoor_damaani.Assassinated.

Zahoor Damani , a prominent Seraiki activist, thinker and intellectual was gunned down on first day of eid (15/10/2007) in Tank. He had animosity with his cousins and was receiving life threats for quite a long time .

He used to represent Dera Ismail Khan and Tank on various Seraiki forums. His death is a serious blow to Seraiki cause. The vaccum created by his murder will not be easily filled . It will be long before some else appears on the scene and takes his place. http://www.wasaib.com/components/com_fireboard/uploaded/images/zahoor_damaani.jpg

This harsh enmity resulting in murder is strongly condemned. This is not typical of Seraiki Saqafat. May Allah ruin the oppressors where-ever and whoever they are.
