Aslam-O-Alikom!

Janab Ejaz Sahab and Other respectable members.

I am Qamar Shahzad from Ashgabad / Turkmenistan. I am working here as a Planning Engineer with a Turkish Firm and am from Bahawalpur City. I am very happy to know about this site. Because of that site Seraikis are coming closer. Here also so many Seraiki brothers are working i informed them about this site they are also excited to know. It's really nice that from all over the world Sarikis are joining this site and Inshallah it will be more popular and useful for not only Seraikis for all Muslim brothers and they will learn about our culture and language. Because all Pakistan is talented and specially Seraiki Wasaib has its own identification because of its rich culture and sweetest language.

Allah Saryaan kun khush rakhay atay saray Sarikian te Pakistan kun Taraqi deve. Ameen
