This is an enquiry e-mail via <http://www.wasaib.com> from:  
Nasir Hussain <benashiq@yahoo.com>

Dear Ijaz Balouch,

My name is Nasir Hussain Khandu. I am from Dera Ghazi Khan but now currently working in Jeddah Saudi Arabia. As you might know that from Dera Ghazi Khan almost from every family at least one person heads towards Gulf region. But I have seen here the difficulties they are facing because of their ignorant they don't know any kind of overseas working rules & regulations. They almost live from hand to mouth. And work like machines 12 to 14 hours duties and pays are almost killings. And also here the systems of renewing of Visa is killing them. i.e. a person gets 1200/pr month, and he pays 5000 riyals of renewing of Visas, so you can imagine what he earns and what are his savings. This is a simple example. I want you to please publish this issue so that might people get awareness through this.

Thanks & Regards.
