Sarkana Saab, tuhade lavz padhke dadhi khushi thai he. Main Bangalore de vich raanda han. Ithain ke vee baun saare Multani raande hinn. Sadi generation de log e boli hun bhulde vende hinn.

Tussan chavo ta meku phone kar sagde ho. Meku dadi khushi theesi.

09880394353.

Main 31 Varaan da han, lekin Multan de barr itti saara sunya hoya he, ki hun dil karende unnu vanj ke 2-3 saal ravaan.

Samay da fer dekho, sade dere da roop kinwe badal gya hey. Mazhab de na te siyaasi leederan ne itte zulm dhahaye. Hindustaniyaan de dil vich musalmaana de keete nafrat paida kar ditti, ta musalmaana de dil vich hinvan vaste ranjish.

Fir pata lagya, ki mazhab aur siyaasat di vajah naal asse apne bhrava naal nafrat karende peh hase. Kitti galtat gaal he.

Unna nal gal karo ta lagda hey, ki apne sage bhira hinn. saadi boli bulende hinn. O sade naal nafrate kadhain nahin kar sagde. E saara silisila siyaasi leederan da keeta hoya he.

Main apni zindagi de wich Multaniyaan da eka dekhna chahnda han.

Bhagwaan kare e sapna poora thive.

God bless.

Humayoon, I am glad to know that u r from Taunsa and MashaALLAh doing PhD. What is your area of specialization? I am from Taunsa too and now in Australia. I think Taunsa is not that big place that people find difficulty discovering some common links, If you ever visit Taunsa High school, you can find my name on the Schools honors board (year 1982). I accidentally discovered this site today (nostalgia?)

Please do write if you feel so.
