Dear Vikram,

Don't worry,we oppressed Seraikies never think of cpturing Sindh and Indian Gujrat.The Seraikistan map here is left one.On the right side it is old indus and HakRa velly map including Kutch and Gujrat.That area of Gujrat boosts of anciant historical places like Bhuj and Lakhpat etc.The map of Seraikistan is as given under.

"Kahaan Raja Bhuj,Kahaan Gangu Taili"

Thanks

Mohtarim Rassolpuri sahib,

Thanks god u have posted on wasaib.You are an asset and living legend of our seraiki wasaib.As for the Seraiki font three ppl have designed seraiki font.1)Nizamani of Larkana "Ghaffaria" for his personal use as he says ,2)Rizwan Ataa "Seraikitec" and Farhan Ijaz my son "Wasaibnotepad" I also know little about this bloody machine.Some posts of Seraiki Poetry I succeeded to post on wasaib but in JPEG form.I hope soon our boys will succeed in designing it in word.

I hope u will keep posting on "wasaib"

Thanks and Regards.

Dear Vikram,

I am also unable to read this map , so can not by any means translate into english. Like you I had no idea about "that intresting map" , I am thankful to Ijaz Saab for his clarification, Siraiki wasaib in past was quite larger rthen its existing geographical boundaries , which are still shrinkin.

As far as map of siraki province is concerned for the time being this is the only map of proposed siraiki province available on net. But I hope soon some readable map will be posted by some friend.

regards.

Farooq
