Dosto,
Dubai toon Muhammad Ibrahim puchhdae jo agar kahin koon seraiki keyboard da maloom hovey? medi maloomat de mutabiq ajaan tain seraiki likhai da software vi tiar nahin hoye. Seraiki chhapai waste izafi nukte la ke guzara thindae. Bbc aali 'nasakh' parrhan waste tuhakoon program download karna ponde. Urdu akhbaran aali likhai computer nahin parr sagda, te sirf tasveeri shikal ich parrh sagde ho. Ithan sirf roman seraiki chal sagdie. Agar kahin dost koon ithoon ziada mloom hove taan dasse.

Ji-haa seraiki.com assan shroo kiti hai per kahin vajah toon qaim na reh sagi. Tuhadian duain naal wasaib di umhran lambi hosi.

Tuhadi site apnadera.com changi a, ikoon seraiki rang deo.

Salaamat Raho

Ijaz saheb,

Seraiki te kam tuhadi dua naal shuroo karende pae hain, te Urdu te kam kafi thee chuka he haan Urdu de software zara kam hin, te dooji waja a he ke Urdu/Seraiki waste Win-XP hovey taan changa hey, baqi windows te v kujh software ya website theek thak aprhi waindi hin.

Apni site te Urdu da discussion forum dita he kujh deharey thaye hin, tey hun koshish he ke us de vich Seraiki likhan di v sahoolat hovey.

Is koon poora kar ke wat tuhakoon senha dession, urdu tussaan dekh sagdey vey.
