## Seraiki Mechanical Engineer

Posted by zahidfbk - 2006/09/07 10:08

---

Dear Friends,

This message in the spirits of getting jobs for Seraiki qualified people abroad.  
A mechanical engineer is required in Saudi Arabia for almost permanent job, main activities in maintenance of petrochemical projects, planning and scheduling of shut-downs.  
Please send your CV and/or contact details.

Salute to all great seraikies.

Dear,  
Thanks for seraiki wasiab. My name is Muhammad Altaf Awan. I am working in UAE. I have been worked Petrochemical UAE(Brouge Petrochemical), Gas plant (Qatar Gas).  
Now i am working the latest version of planning software Primavera interprises as Electro Mechanical Planning Engineer for Cement Plant in UAE.  
But one draw back with me that i m DAE. Iam doing the Job well & getting handsome salary.

If there z good chance i would like to apply with detail CV.

My Email adress is [altaf.awan@orascomci.com](mailto:altaf.awan@orascomci.com)

My contact no. is +971-50-6701721.

hOPE TO SEE SOME WORDS FROM YOUR SIDE.

MUHAMMAD aLTAF aWAN
