takhuyul is very pessimistic! please try to be optimistic and make learn people to strike dangers:

Mun judda wajda (Jain koshish kiti, ookoon mil gia!)

People who take care, never get anywhere!

Toon diva baal ke rakh cha, hawa janre Khuda janre!

Nami koi baghair mushaqqat nahin hooa!

Ander balae sakht padid ayad, fazal o buzurgwari o salari!

Wala milsoon, Allah di Aman!

Ta'zim- G. Raza
